Masters Bank Account Details

Account name: Notts Badminton Veterans County Teams
Sort code: 51-70-06
Account number: 83725504
Bank: NatWest

Please reference with Age Group/fixture/opposition date (e.g., O40s 12/10 v Yorks)

Practise sessions

There are two sets of organised sessions, one at the beginning of season, and a subsequent one early January before Challenge weekend.

Please invite players, identified from players list or word of mouth. Any new players should be welcomed in by either the Captain or Selector, and given an overview of how the session runs. The venue and time of session is agreed by Co-ordinators, subject to availability of courts. Shuttles are provided by Notts Masters.

During the session, organise your players at practices, help put on suitable games, collect £8/player practice fees and give cash to the Alan (Treasurer) or send by bank transfer to the Masters bank account.

Team Selection

Badminton England Masters League Championship and Challenge are Regional Age Group competitions.

The Captain and Selector should consider the player nominations at the practise session, or ahead of the first league fixture, whichever is the sooner and advise Match Secretary (Sion/Laura) of your nominations, who will update this information onto BE Tournament Software database.

Selection criteria

An age group's strongest team should be played where possible. However, be mindful of rules regarding appearances of players who may be called upon for finals should there be any injuries/illness to main team players. Remember, the County Squads and Teams are for the purpose of representing Nottinghamshire Masters County Badminton Teams and not about any one individual player and their personal preferences such as:

- Individual wanting to play in another age group
- Individual only being willing to play with certain people
- Individual wanting to play with spouse/partner in the same team even though they are in different age groups
- Individual only willing to play home matches

Any queries / complaints should be referred for discussion to the Masters Committee - flexibility and common sense will be applied.

Where possible, the nominated team is expected to be players of that age group unless it is beneficial to the County. Should an age group team not be entered into the competition, then all appropriate existing players will become part of the next qualifying age group squad or again elsewhere if required (i.e. over 70s would be eligible for the O65s if there is no O70s team).

Reserve players – please discuss with the respective team captain/selectors and Lee as the Coordinator. Remember that players are only able to play outside of their nominated age group three times and may be required to represent or may have already represented other teams.

If there are any contentious issues, this will be referred to the Masters Committee for discussion and their decision is final.

Nominated Players

Advise nominated players to pay their compete fee (done by the individual player via Membership website, Just Go Badminton England) ahead of representing a team in a match as there are strict rules on the use of wildcards within the regulations.

For nominated players, advise of selected teams, dates, times and travelling arrangements for matches to ensure availability.

League

The captain completes any admin and coordination for the team. Please be fully aware of Badminton England's rules and regulations regarding eligibility, particularly regarding the number of times a player can play outside of his/her nominated age group.

Please advise players to maintain their JustGo details e.g., names, addresses, email address phone numbers and B.E. registration number of all players in your squads.

Note, no matches are to be cancelled unless it is discussed with Lee and Sion/Laura as arrangements needs to be adjusted for catering and court bookings.

Home matches

Milk

Please bring (or delegate within the team) for two pints of milk per fixture – if there are two fixtures, please coordinate with the other team Captain to bring 4 pints where possible. The milk money can be claimed back as expenses, from the match fees collected.

Match Fees

Collect match fees of £8/player and transfer in to the Masters bank account or cash to Alan Scott.

Refreshments Procedures

Each home team is responsible for setting up and tidying away the snack bar. We also have a new caterer, Sadlergate. Please leave trays from the previous match on the table in the snack bar to be collected when the caterers deliver the next buffet.

Advise your team members to assist with the catering arrangements in the upstairs canteen, including helping to ensure the canteen is left in a clean and tidy condition at the end of the day. Refer to the 'Procedure on Match Days' sheet for County refreshments. Food is scheduled to be delivered from 1pm onwards.

For awareness, the match fees cover refreshments at home and travelling expenses away. The County Association heavily subsides our costs, to cover entry fees to competitions, hall costs and shuttles.

Shuttles

Match shuttles will be distributed to Captains at the beginning of the season for all their home matches. There is an allocation of approximately two tubes per match, but please also bring 2 spare tubes for cover. We will ensure that there are two new tubes in the 2 court hall locker, for use in emergencies.

In the lockers in the two-court hall, buckets are also available in the locker for placement courtside to help collect used shuttles. After each match, please sort your shuttles, ensuring you keep a supply of knock-ups in your set for the next home match. Any shuttles unsuitable or surplus to knock ups can be given to i.e. Mick Newton or Carl Jennings for use in junior training sessions.

Please note on the scoresheet how many shuttles are used per fixture so we can ensure coverage across the teams.

Away matches

Collect match fees of £8/player and transfer into the Masters bank account or cash to Alan.

Apportion mileage expenses for away matches and give to two nominated car drivers. Note that this is calculated from Chilwell Olympia to the away venue – see fuel allowance spreadsheet for a quick reference guide.

If there are parking charges, this can be claimed for two nominated cars – please advise Alan should this be the case for your match.

Match Scoresheets

The responsibility for adding the match scores onto tournament software will be the Captain's responsibilities, ideally on the day of the match, or within 4 days and logins will be provided to Captains. Please also email a copy to nottsmastersmatchsec@gmail.com. Sion/Laura will be a backup option in case of any issues submitting the results.

County Challenge Weekend

Select the team early (consider at the start of the season's practise session) and ensure that players and reserves are available for the weekend. Any deviation from the list of players available for each age group should be checked with Lee.

You will be responsible for coordinating and booking the team's accommodation for the weekend. Note that a non-refundable deposit will be required from players if staying in the delegated hotel. Please also inform Alan of your booking arrangements (expenses), as we need to factor this into our accounts for submission to Notts BA at the end of the season.

Collect the agreed monies from each player in the team to fulfil the team match fees per team, and bank transfer/give to Treasurer. This is paid in advance by Notts. Badminton Association to Badminton England well before the event. If a team drops out, this fee is non-refundable.

Keep Lee aware of any situations that may arise regarding non-fulfilment of the competition.

Note there are no travel expenses paid out for this competition. It is suggested that transport is shared wherever possible to minimise cost.
